The Pipestem Aerial Tramway opened to the public in 1971. The tram sweeps from the Upper Station at the Canyon Rim Center to the floor of the rugged Bluestone Canyon where it crosses the Bluestone River before arriving at Mountain Creek Lodge. The tram is the only public access to this secluded lodge.

Mountain Creek Lodge features 30 modern rooms with telephones, TV, an excellent dining room, meeting facilities, a children's playground, and a game room. This getaway spot is complete with each room featuring a balcony overlooking the river. It is truly a unique getaway.

The Bluestone River flows beneath the tram. Eight miles below the tram, the Bluestone River enters Bluestone Lake. The land between here and the lake is all managed by Pipestem Resort or Bluestone state parks, Bluestone Wildlife Management Area, or the US Army Corps of Engineers. Below Bluestone Lake the waters become the New River, famous for its whitewater and rafting.

You’ll begin your tramway trip at Pipestem Resort’s Canyon Rim Center. This complex houses the Upper Tram Station where you board your tram car. Canyon Rim also houses the Main Gift Shop at Pipestem and the Mountain Artisans Shop that occupies the level below the Gift Shop. The artisans shop offers the best in handcrafted items from our regional craftpersons and artists.
